When you rent from National Home Services you will enjoy all of the benefits that come with a high efficiency ENERGY STAR® qualified water heater.

You will also receive these additional benefits as a valued National customer:

- ✓ 50% off your rental rate until Dec 31<sup>st</sup> 2012
- ✓ SAVE over 25% in energy and operating costs\*
- ✓ All repairs, parts and labour are included in your monthly fee
- ✓ FREE preventive maintenance program
- ✓ 24 hour emergency customer service
- ✓ We pay for your tank return

\*Based on our reasonable estimate of water heater related energy and operating savings that may be realized by upgrading from a 10 year old - less efficient water heater, to a new ENERGY STAR® qualified water heater.

# WHY UPGRADE TO AN ENERGY STAR® TANK

National uses brand new ENERGY STAR® qualified water heaters, saving you money by using less energy.\*

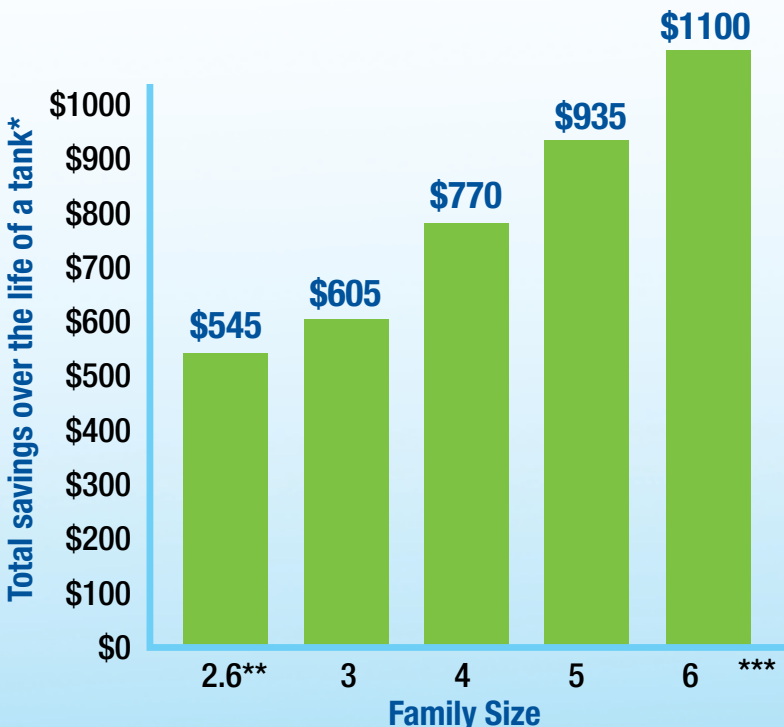

National promises the following benefits:

- **FREE PREVENTIVE MAINTENANCE:**  
National will carry out free preventive maintenance to ensure your tank operates at its maximum efficiency.
- **PROFESSIONAL ASSISTANCE:** National is committed to providing you with expert service from our licensed and certified TSSA technicians at no additional cost.
- **FREE VENTING UPGRADE:** National will upgrade your venting pipes at NO EXTRA COST in order to bring you up to current TSSA code.

\* Hot water tank life estimated at approximately 15 years. Savings based on National Home Services forecasted gas prices and may vary with prevailing gas prices and actual usage.
